Sara Riel Inc. Partners with Stigma-Free Society

Winnipeg, MB – April 27, 2021

Sara Riel is excited to announce a partnership with The Stigma-Free Society, a B.C. provincial organization that focuses on the elimination of stigma and offers mental wellness education.

Sara Riel and The Stigma-Free Society will work together to better the lives of youth and school staff in Manitoba, by promoting SFS mental health presentations and the Student Mental Health Toolkit. These materials bring virtual mental health supports to create a world free of discrimination.

The Stigma Free Society (SFS) organization was co-founded by Dave Richardson and Andrea Paquette. The Society advocates for AWARENESS, UNDERSTANDING and ACCEPTANCE of all people, irrespective of their differences.

“Sara Riel continues to support Manitoba teachers in achieving mental wellness. These virtual learnings will complement our commitment to the education sector and encourage diversity, inclusion and positive mental well-being”, stated Tara Snider.
